This matter is before the court on the Unopposed Motion to Continue Trial [27]. Counsel informs the court that discovery materials are voluminous and ongoing. Trial in this matter is likely to be complex and lengthy. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [27] is granted, as follows:

1. The jury trial now set for March 25, 2019, is continued to **May 6, 2019**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and May 6, 2019**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

DATED: March 11, 2019.

BY THE COURT:

s/ Susan M. Bazis
United States Magistrate Judge
